To All our Wonderful Residents:

As you may be aware by now, the Village of Lynbrook will be celebrating its Centennial Anniversary in 2011. Many of you have been a part of this unique community for most of your lives - some of you for most of your adult lives and those who have just become new residents. In all of the above cases, you are now totally connected with the Village and have created new lives and are raising young families.

This will be a great opportunity for all of us to come together and celebrate this event. The festivities will begin with the Centennial Expo in late September 2010, and we will also have a Journal to commemorate our first 100 years. We will have special entertainment and even a parade! Please plan to participate in any or all of the events during the course of the year.

We will be recognizing the service organizations that have made Lynbrook the *Village that Leads the Way*.

On the reverse side of this letter is a Journal Ad flyer which will explain the different options you may wish to enlist. Please take a moment and let us know if you will participate in this very special year of remembrances. You may contact me or any Board member, or any Journal Committee member listed below. Your active participation will only serve to make this endeavor a very special success.

Sincerely yours,

Brian Curran  
Mayor of Lynbrook

William Hendrick, Deputy Mayor – Chairperson of the Centennial Year
