## ASSEMBLYMAN CURRAN PRESENTS AWARDS TO LYNBROOK WINNERS OF THE 2016 FLAG DAY ART/ESSAY CONTEST

Assemblyman Brian Curran (Lynbrook-21st AD) recently honored the winners of his annual Flag Day Art and Essay Contest at Greis Park in Lynbrook. Over 300 kids participated in this year's contest.

"I am so proud of the children who participated in this year's contest," said Curran. "They showed true passion and patriotism for our American Flag, and exemplified this community's dedication to raising civically-engaged children. Along with the 300 children who participated, I want to give a special thanks to our veterans who willingly gave up their morning to be judges. It is important to honor the symbol of our freedom as well as the individuals who have fought in our country's armed forces. Today's event not only represents an opportunity to give thanks, but also to remind ourselves of how fortunate we are to live in a country free from tyranny."

All winners received a New York State Assembly Certificate of Merit, an American Flag and a Carvel ice cream gift certificate. Curran has held this event every year he has been a member of the New York State Assembly. This year's contest posed the question: What does the American Flag mean to me?

Family and friends from the community attended the event to commemorate the American Flag. The ceremony featured the color guard unit from the Lynbrook American Legion, Lynbrook American Legion Commander Hank Speicher, and Alexa Ford, a Kellenberg graduate who performed the National Anthem. Also in attendance were Pat Nealon, Commander of Lynbrook VFW, Joseph McCarthy, member of East Rockaway VFW, and Superintendent of Lynbrook Schools Melissa Burak.
