Mayor Beach praised actions by members of the DPW (Department of Public Works) for jumping into action during a fire. While performing tree trimming services, the workers suppressed a fire that was occurring at Sherman Street and Blossom Heath. Once they saw the smoke, the DPW team proceeded to the home and utilized 2 resident hoses. In addition, they relocated 2 propane tanks in the vicinity of the fire.

The Mayor and Village Board commend the honorable and brave actions of Mike Koerner, Joe Fazzino, Charlie Curcio, and seasonal worker Aiden Ryder.
