As such, I am respectfully requesting each Board Member and the Village Attorney to provide a written response to the following disclosure questionnaire as it relates to the 47 Broadway Project. The purpose of this questionnaire is to ensure full disclosure and to reassure the public that no conflict of interest exists with any Board Member who may preside over this public hearing. Kindly provide said response within 7 days of receipt so that same can be filed by the Village before the Public Hearing.

Please answer the following questions:

If yes:

3) Due to the fact that the approval or denial of the 47 Broadway Project Proposal has a direct financial impact on the adjacent properties, kindly provide copies of any real estate contracts and riders for the sale of any property adjacent to or next to the feather factory that you/any family member/or any business, trust or entity in which you have a financial interest that was owned/part owned/have or had a fiduciary and/or financial interest in within the past five years.

Lastly, I am sure that all of you share my desire to reassure the residents that there exists no conflicts of interest with any Board Member as the Public Hearing approaches. I thank you for your anticipated cooperation with this request.
