P.H. – SPECIAL USE
PERMIT – 161 UNION
AVE
RES.#[204-2020](#)

- 1) Change of Zoning pursuant to Section 252-109 of the Village Code, for the portion of the parcel at 161 Union Avenue, Sec. 42, Blk 4, Lot 6, currently in the Commercial zone to all Residential "C" district, which permits multiple dwellings, to accommodate the construction of a 18 unit multiple dwelling, and,
- 2) Obtain a Special Use Permit, pursuant to Section 252-21 of the Village Code to construct eighteen (18) multiple dwelling units.

William Bonesso, Esq. of Forchelli, Deegan, Terrana LLP, representing the applicant, advised that the applicant is in contract to purchase the site, presently a Restaurant, for the construction of (2) 2 story multifamily buildings of which one building would have 14 units and the other would have 4 units, all to be sold as condominiums. Mr. Bonesso indicated the project is supported by the Lynbrook Chamber of Commerce, received Local Determination status from the Nassau County Planning Commission, is harmonious with the surrounding community, but needs parking and rear yard setback variances. Mr. Bonesso added that the site will have 38 onsite parking spaces, and more landscaping than the existing Restaurant use. Mr. Bonesso introduced Barry Nelson, Appraiser, who reported that the site presently has curb cuts on both Union and Scranton Avenues, is compatible with the existing 2 ½ story multifamily use across the street at 151 Union Avenue, discussed other surrounding uses, market values, and potential increased tax revenue to the Village, Town and School District. Wayne Muller of R & M Engineering presented a Parking and Traffic report and indicated that the change of use to 18 units would generate less traffic than the existing Restaurant, is in good walkable proximity to the LIRR, Bus and Downtown, has (1) dedicated parking space for each unit and summarized that the total of 38 proposed on-site parking spaces is more than adequate for the project. The Mayor asked if anyone would like to speak on these (2) Public Hearings. Those who commented included:

Dan Weisner, 1367 Kew Ave, Hewlett NY, as a translator on behalf of Mr. Wank, proprietor/lessor of the existing restaurant and himself as a restaurant patron.

Jeff Greenfield, 112 Merrick Rd

John Gioia, 573 Scranton Ave

P.H. – SPECIAL USE

Mr. Bonesso summarized the benefits of granting the Special Use Permit and Zoning change by advising that the project would yield additional tax revenue, not impact traffic and parking, and be harmonious with the Community. After no further comment, it was moved by Trustee Boccio, seconded by Trustee Hawxhurst, to close the Public Hearing on the petition to zone the Commercial portion of the site to Residence “C” and Reserve Decision. Motion carried, all voting “Aye”.
